PRINCIPAL

From the Principal's Desk...

"Education is a powerful tool to groom young prodigies and thus mould their future. We at LPIS are very much conscious about the power of education and hence do not leave any stone unturned for making our school a perfect place for learning. A home away from home for learning and developing all facets of the personality. It has been our endeavor to help the children tap their

potential and emerge as the best version of themselves, while at all times retaining their individuality and creativity."

AVINASH RAUTRAY

OPERATIONS

K-12 Education Domain is the most promising vertical in terms of learning and development. The initial years of a students mental, physical, spiritual and emotional growth is governed during these years. It is imperative that every student is identified and acknowledged based on their true inherent potential. It is the duty of parents, teachers and the community as whole to dedicate focussed resources in creating an enviroment for the students to learn and grow with confidence and composure. We are pleased to inform that **Lokpriya Providentia International School, Jamnagar** provides a holistic ecosystem with the help of our teachers and staff, to help our students become strong personalities, shaping their futures. We wish them success always!

Career Guidance

A career guidance session was organised for the students. This proved very informative and useful. The students got a clear perspective of the process of selecting a career of their choices and interest.

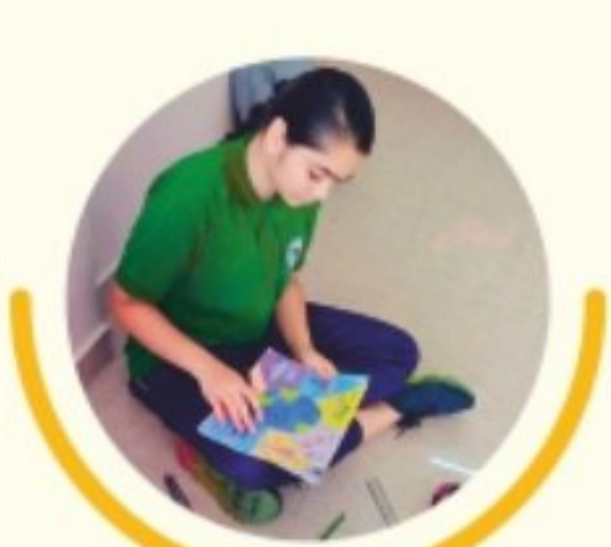

Career Guidance

April 2022

The Process of learning is incomplete without Fun. Team LPIS believes in holistic development of a child through various fun-filled activities.

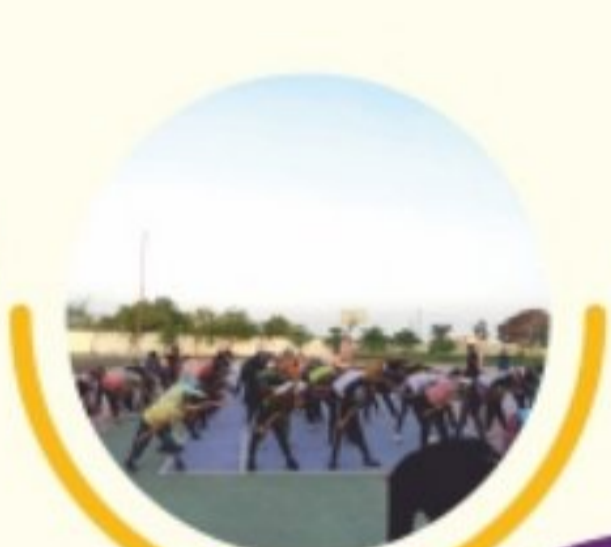

EARTH DAY

FIELD TRIPS

- 1) Class 1 & 2 went for a field trip on 29th April. The field trip was really wonderful & students enjoyed it. Kids were very happy while enjoying beauty of nature and their cradles.
- 2) Night out was held on 30th April for students of Gr. 4 to Gr. 10. Students enjoyed a lot during the night out with some games and dance performances. They boost themselves with yoga & zumba early in the morning. It would be life long memory for the children.

NIGHT OUT

June 2022

Light maintains its quality irrespective of its source.
Similarly, knowledge is always good regardless of its source.

Act on Discipline

Back to School

Outdoor Visit "Team Building Activity"

After long vacation now it was the time to start the new academic year & welcome our children to school. Everyone was excited to come to school to restart their studies and meet their friends and teachers.

- 1) The students were welcomed with a welcome song, and an act on discipline was performed by class 6, 7 & 8 students to highlight the importance of discipline.
- 2) It's time for some celebrations! Fathers are very important and special in everyone's life. LPIS celebrated fathers day to make the event memorable and make them feel special. We welcomed all LPIS Fathers on Father's Day Celebration. Event was successful with special performances done by our cute fairies and little kids.
- 3) LPIS celebrated yoga day on 21st April with great zest & zeal. Fabulous yoga dance was held by our young kids and importance of yoga in our life was explained simultaneously.
- 4) Let's make our body strong and build our stamina. Yes it's time for celebration of World Olympic Day. On this special day. LPIS students took efforts to complete 1500 mtr race with great energy and enthusiasm. School also selected first five winners to boost their Confidence.

July 2022

The activities performed with the underlying theme of 'togetherness'. The activities endeavored to propagate the message that "only if we are united as human race, we can achieve remarkable feats in life."

- 1) Van Mahotsav was celebrated in school. The focus of this celebration was towards forming a personal connection between the students & trees through a process of experience, reflection and creation.
- 2) Paper Bag Making Competition was devised with a view of bringing awareness and instilling the thought of restoring the environment. Students showcased their creativity and artistic skills by making beautiful paper bags and decorating them vibrantly.
- 3) Guru purnima celebration was made remarkable by the students with their great energetic performances for their gurus.
Investiture Ceremony was celebrated on 29 June with the aim "Leadership is the capacity to translate vision in to reality." The ceremony was held with dignity and earnest passion.
- 4) Good Handwriting Competition with the aim to improve children's handwriting is conducted regularly in school.

"Self-reliance is the only road to true freedom." Atmanirbhar Bharat is not just a slogan but a vision with deep roots in our intellectual traditions. 'Activities were planned according to the age group of students, which helped them develop confidence and life-skills.'

August 2022

Mix Celebrations

- 1) World Sanskrit day was celebrated for giving importance to the Ancient Indian Language.
- 2) Rakhi Making Competition provides an open platform to the students to celebrate the virtuous bond of love between a brother and a sister.
- 3) Independence Day was celebrated for commemorating our brave leaders and freedom fighters of history who won us the freedom we are enjoying today.
- 4) Janmashtami : A splendidly colorful program was organized by the children and staff of the school; where students presented songs, dance performances and a short role play.

'Do not let what you cannot do, interfere with, what you can do.' To be successful as a leader, one needs to identify goals, take measured actions and get results, because at the end of it all leaders are measured by what they are able to deliver.

September 2022

- 1) Visit to Swaminarayan Temple.
- 2) Card Making Competition This activity aimed at exploring and encouraging creativity in children and giving them a platform to showcase their skills.
- 3) Teachers' Day Celebrated to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan, the greatest teacher and scholar of India. Teachers' Day in India is observed to celebrate his work and his drive for education.
